Guidelines for Parents

Dear Parents,

Warm greetings!

For the past few days, we enjoyed taking care of your precious children. You might have noticed that they loved to come to school. For the next few days during the vacations, we expect you their natural guardian will spend quality time with them. Let's share some tips to make this period a happy and fruitful period for them.

Creating our family bond

- Have at least two meals together with your child/ children. Teach the value of hard work of the farmers and ask them not to waste food.
- Talk about our moral values each day and share your childhood memories with them.
 - Share with your child, your experience about going to school.

Inculcating reading skills

- Get your children exposed to few fascinating world of characters through interesting story books.

Imparting life skills to real life events

- Learning about plants and trees is an integral part of growing up.
- Help your family members in daily chores (routine task).
- Allow them to help you and cooking.
